603	G	?188	Hopkins	613	938	Spare	Pg 209

Notes

1. A standard Flight Log did not exist for this mission. The above table is a reconstructed Flight Log using 398th Group Interrogation Reports along with Mission Crew Lists.
2. Page numbers from which the data was primarily extracted are shown in the right column above. A blank in this column indicates the Interrogation Report was illegible.
